

## *It's Music in the Woods!*

August 2006 Newsletter - Red Lake Touring Region

### **11<sup>th</sup> Annual Trout Forest Music Festival – August 11-13**

The echoes of song, dance and laughter break the silence of the Northern Wilderness, its Canadian music at its best. The Trout Forest Music Festival is a well-established cultural event that draws people together from the entire region of Northern Ontario. It's an outdoor musical event that you will not want to miss! Volunteers and artists come together on the shores of the English River systems in Ear Falls for the three days of camping, music and family fun. Stop in while traveling through the Red Lake Touring Region; it will be an experience that you won't forget. For more information, visit [www.troutfest.com](http://www.troutfest.com).

### **When's your Tee Time?**

I think many people will agree that this summer, the Red Lake Touring Region has had great weather for golfing. Yes there have been the occasional days of rain, but for the most part, it has been blue sky all around. Both Red Lake and Ear Falls offers great golfing experiences. Everyday you can see people out on the course! Whether they are out for the competition or just for the fun and exercise, one thing is for sure, golf is one of the great summer activities in the Red Lake Touring Region. So brush off your clubs (or if you don't have any, rent them at the Courses) and get out there! Get some of your friends and go have some fun! Who cares how far you can hit the ball – get out there and try! Make sure to stop off at the Clubhouse at the golf course afterward! Both have great food to snack on and there are always people around to get great golf tips from!
